# Offering quality solutions for your business

## Assembly

Whatever the size of your project, our full assembly service can pick, assemble, sort and label your products ready for sale.

## Mail outs & Promotional Items

Whether you have a conference or want to send a bulk mail out, we can help you. We will deliver timely results with a team that takes great pride in their work.

## Sorting

Do you need your products sorted into packs ready for sale? Our team is well equipped to sort products big and small to suit your requirements.

## Confidential Document Destruction

Destroying documents is an important safeguard for your business. Our secure and convenient document destruction service is one that can be trusted.

## Labelling

You want your products to look their best and that's where our team is here to help. We are trained to deliver high quality labelling solutions for whatever your business requires.

## Quality Rework

Sometimes things don't always go to plan. If the products you've received from another supplier don't meet your standards, we provide an efficient and flexible product rework service.

## Food & Cosmetic Packaging

Our HACCP Certified team have the right equipment and experience to suit your food and cosmetic packaging needs.

## General Packaging

Ensure your products are shelf ready with our packaging solutions. Whatever the size of your commercial packaging requirement we can provide a solution tailored to you.

## Industrial Rags

Our recycled, economic and quality product is perfect for your cleaning needs.
